@tanydourev

Hey there, I'm Tany! I'm a multimedia designer with an eye for the details and a lover of simplicity. I specialize in graphic & visual design, typography, brand identity & creation, 3D design and prototyping through UI design.

EXPERIENCE

Graphic Design Intern

RW Digital Marketing Agency
Aug 2021 – Present

- Responsible for creating content related to the field of digital marketing for the agency's social media platforms.
- Worked alongside internship mentor on client projects and optimizing agency branding.

Digital Program Student

St. Catharines Museum & Welland Canals Centre
Nov 2020 – Dec 2020

- Responsible for creating biographical and design material for the city's Sports Hall of Fame website.
- Performed extensive research and organized data using Microsoft Word and Excel.
- Assisted in the transfer of files and data to the new website through iCreate; created copy text to be placed on the new website upon publishing.
